Welcome from the Superintendent

Welcome to the 2019-2020 school year and the excitement that every new school year brings. Each new school year is unique, rewarding, challenging and has unlimited potential.

By way of introduction, this is my 38th year in public education with 25 years as a superintendent; mostly in small, rural schools in eastern Washington and Oregon. I possess two degrees from Washington State University and a doctorate from Vanderbilt University in Nashville, Tennessee. My wife, Linda is a former high school marketing teacher/CTE Director who currently works for an insurance company in HR Risk Management. We have three children and two grandchildren (with two more on the way).

This upcoming year begins with a tremendous amount of promise as we progress in our educational journey. The Sequim School District looks forward to collaborating with all entities of our educational community to further the growth of our students.

We start year 2 of the Strategic Plan, finalizing the budget with those goals in mind. Our plans to increase communication and ensure technological advances are created and functional. Additionally, our teachers will employ educational strategies with the goal of providing and enabling our students to learn at the highest level. As the year progresses, we will have a conversation regarding our facilities and potential advances in the district.

Thank you for the opportunity to be a part of the future for the Sequim School District and community.

ATTENDANCE LAW & POLICY

RCW 28A.225.010 mandates children under 18 in WA State attend school.

The Becca Bill, RCW 28A.225.030, requires school districts to file a truancy petition with the court when a student misses 7 unexcused days in a month or 10 unexcused in a year

Sequim School District intervenes early! Procedure 3122 states that SSD intervenes at 5 excused or unexcused absences in a year.

The Community Truancy Board was established in 2017 as a resource and support based intervention in place of attending truancy court.

Excusable Absences: **Illness, injury, or appointment with a doctor's note, family emergency, religious or cultural purposes, judicial proceedings, post-secondary visits, search and rescue, McKinney-Vento, foster care, or dependency status, deployment of guardian, suspension or expulsion, safety concerns, migrant status, approved district activities.**

VOLUNTEERING IN THE SEQUIM SCHOOL DISTRICT

Sequim School District recognizes the valuable contribution family and community volunteers bring to our schools. A big thank you to the over 1,000 volunteers we had this year!

To be a volunteer, you must complete a clearance process. **This must be renewed each year and takes at least 2 weeks to be approved.** The online application process requires an e-mail address and provides step-by-step assistance. You will need to scan and submit a copy of your current Washington State driver's license or state ID card to the District Office. You can complete this process, or renew your application, online at <http://sequimschools.org/Resources/volunteering> or by visiting the District Office during regular business hours, where we have a computer kiosk to assist you in completing your application. Applications received less than 2 weeks before a volunteer opportunity will not be expedited.

For questions about volunteering, please the Sequim School District Office at (360) 582-3260.

RENTING AN SSD FACILITY

Sequim School District is happy to make our facilities available for local patrons and outside groups. School District-sponsored activities, including curricular and co-curricular functions, do retain first priority in use of facilities, but there is often space available. We encourage you to inquire about using one of our facilities for your next meeting or event!

Rates can be found at: http://sequimschools.org/school_board/policies_procedures/4000_community_relations

Please contact Megan Lyke, Facilities Coordinator, at (360) 582-3260 or mlyke@sequimschools.org to check availability and learn how to complete the Application for Use of District Facilities form.

W. FIR STREET CONSTRUCTION

The City of Sequim's West Fir Street Rehabilitation Project began on 05/13/2019 and is expected to be an 18-month project. Possible impacts include traffic detours, road closure, parking, and travel time.

Sequim School District buildings most likely to be impacted are the **Central Kitchen, District Office, Helen Haller Elementary School, Olympic Peninsula Academy, and Sequim High School. Maintenance and Transportation Departments may also be impacted.**

Refer to the directions of each building through the duration of this project. Project information and updates can be found on [https:// www.sequimwa.gov/civicalerts.aspx?AID=877](https://www.sequimwa.gov/civicalerts.aspx?AID=877)

be provided to the guardian or eligible student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility. Upon request, the School may disclose education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the guardian or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.]

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Student Privacy Policy Office; U.S. Department of Education; 400 Maryland Avenue, SW; Washington, DC 20202-8520.

“The distribution of this material is provided as a community service and the district does not sponsor this event and assumes no responsibility for it. In consideration of the privilege to distribute materials, the entity requesting distribution agrees to indemnify and hold the Sequim School District harmless from any cause of action filed in any court of administrative tribunal arising out of the distribution of these materials including costs, attorneys’ fees and judgments or awards.”

The distribution of materials is provided as a community service. Please note that Sequim School District does not sponsor, endorse or guarantee the organization or activity in the materials distributed. Guardians and guardians must review the information and decide if it is appropriate for their family.

GUN FREE ZONE/DANGEROUS WEAPONS POLICY 4210

It is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation, or areas of other facilities being used exclusively for school activities. "Gun-Free Zone" signs are posted in all school facilities, and all violations of this policy and RCW 9.41.280 are reported annually to the Superintendent of Public Instruction.

COMPLAINTS AND GRIEVANCES CONCERNING STAFF AND PROGRAMS POLICY 4220

The board desires that the district be informed of the criticisms and complaints that guardians, guardians, or community members may have regarding its staff, programs, and operations. At the same time, the board has confidence in its staff and programs and shall act to protect them from unwarranted criticism or disruptive interference. Concerns received by the board or a board member are referred to the superintendent for investigation and action. Forms to begin the process may be obtained at school building offices or District Office.

NO TOBACCO POLICY 4251

BUDGET POLICY 6000

Each year in August, the Sequim School District Board of Directors adopts a budget detailing how the district will spend its monies for the next fiscal year. Before the budget is adopted, a public hearing is held. Visit the District website at www.sequimschools.org for a current copy of the budget.

PESTICIDE POLICY 6895

The district complies with the requirements of law regarding pesticide notification, posting and record keeping. Guardians, please notify the District in writing if you would like to be notified of any District pesticide use at your student's school building.

TRANSPORTATION SERVICES

Transportation is provided for students who reside more than one mile from school. One bus run will be operated in the AM and one in the PM. Schedules will be posted on the district website, at the schools, and printed in the local newspaper in advance of school beginning. The first week schedules and bus stops may be adjusted slightly as bus routes are fine-tuned with respect to times and student rider numbers.

General Guidelines – If your student rides a school bus, parents are asked to review general bus rules with their students. Those rules and regulations are distributed the first week of school by your bus driver and need to be signed and returned to the driver.

Children Walking to School – Parents, plan a Safe Route to School with your child. Caution them to choose intersections for crossing that are regulated by stop-and-go signals, traffic signs, or intersections that are designated with school crossing signs with good visibility in good directions.

Please turn the page for a comprehensive overview of Transportation Services, as well as current 2019-20 bus routes.

Sequim School District reserves the right to change bus routes and times as needed. Students in grades K-12 ride on buses together. **Please check your student's bus route and pick-up time listed below, as some routes have changed since last year.**

First day of school: The Transportation Department strongly encourages all students who intend to ride the bus do so on the morning of the first day of school (September 4, 2019). This will enable parents, students and bus drivers to become familiar with the bus stop routine. Students who plan to ride the bus need to be at their stop five minutes ahead of pick-up time. Times and pick-up points listed below are approximations until exact enrollment and passenger loads are fixed. Please remember, if a bus passes waiting students, it may not be their bus.

For the first day, new students will be picked up at all stops along routes, except for Hwy 101 East and West routes. The following are routes, not necessarily bus stops. Students will be advised after two or three days where the permanent bus stop will be. Every effort will be made to space stops approximately one-half mile apart, thus requiring a quarter-mile walk along routes. Exceptions will be made only on a case-by case basis due to special circumstances such as student safety or handicapping conditions.

Safety reminder for Hwy 101 West & East students: All students living on Hwy 101 West or East must catch the bus at their designated stop. Do not cross the highway to catch the bus at a later time.

Reminder for A.M. Greywolf Elementary students: Greywolf Elementary students are transferred to a shuttle bus in the Fir Street stadium parking lot.

Kindergarten Bus Drop-off Requirements: Bus drivers will not drop Kindergarten students at stops unless a parent or other designated adult is there to meet the child. If there is no adult at the stop, the child will be brought back to the transportation center.

Parents, for younger elementary students on regular bus runs, please have someone at the stop to meet the students, particularly on Hwy 101 East and West.

Students will ride the same route bus in the A.M. and the P.M. unless otherwise noted. Students who wish to get off at a stop other than their own, or who wish to ride a bus other than their own **must** have an official bus pass issued by the school office. Hand-written notes from parents will not be accepted.

If you have questions, please contact Jeff Gossage, Director of Transportation, at (360)582-3274.
